

Let Your Imagination Fly 

# Reflections Exhibit

Area 1 Gwinnett County Council of PTA's

November 8, 2015

A Word From  
Area 1 Gwinnett County Council of PTA's

The Area 1 Gwinnett County Council of PTA's is comprised of 36 local unit PTA's from the Brookwood, Meadowcreek, Parkview, Shiloh, and South Gwinnett School clusters. The Executive Board of the Area 1 Gwinnett County Council of PTA's would like to thank all of the students that participated in this year's Reflections program. We would also like to thank the parents, teachers, and school administrators that supported and encouraged these students to submit entries into this year's program. All children deserve opportunities to explore and be involved in the arts. The arts play a critical role in a student's success in school and beyond.

This year's theme of "*Let Your Imagination Fly*" allowed the students to express themselves in some of the most wonderful and creative ways. We would like to give a special thanks to this year's Reflections Chair for Area 1, Shantelle Grace. She has dedicated countless hours to ensuring that this year's program was successful. We would also like to thank the members of her committee that volunteered their time and efforts to support her and the area.

Sincerely  
The 2015 Area 1 Gwinnett County Council of PTA's  
President – Wytaria Henley  
Vice-President – Precious Moon  
Secretary – Angela Banks-Spain  
Treasurer – Evelyn Shelton

A Word About Judging

Judges were selected for their experience in the subject matter and their knowledge of student's abilities. They were asked to evaluate each entry by considering creativity, artistic merit and interpretation of the theme. Our judges carefully considered all entries and scored them accordingly using a rubric. Tabulation results were also verified independently. First and Second place winners will continue to the State Level of competition.
