Carnival Fundraising Program

Think of the great benefits:

- Your organization raises needed funds with a unique and exciting event.
- Participants enjoy a vacation and feel great about supporting a worthwhile cause
- Press releases & advertising of your fund raising cruise can bring more community recognition to your organization
- Friends & family tend to vacation together so you gain access to potential new contributors who have disposable income and can assist you with future events

Carnival will match funds raised by the non-profit organization up to \$8 per day per stateroom. The "contribution" check, based on the actual number of staterooms that sail, will be made payable to the non-profit organization and will be mailed to the travel agency handling your cruise after the sailing.

The organization may choose to raise funds by marking up the group rate and/or by taking the value of the free berths earned as their contribution. Here are some examples:

1. **Group marks up price by \$35 per person/ \$70 per cabin on a 7 day cruise: Group sells 100 cabins**
100 cabins x \$70 = \$7000 raised.
2. **Carnival donates \$8 per cabin x 7 days x 100 cabins = \$5600 raised.**
3. **100 cabins = 12 tour conductor credits (example \$700 each) = \$8400 raised.**

TOTAL FUNDS RAISED = \$21,000
